Alien Skin Software Releases Eye Candy Effects Collection

Raleigh, NC (March 27, 2007)—Alien Skin Software today released the Eye Candy Effects Collection, a bundle of the award-winning Eye Candy, Xenofex, and Snap Art plug-ins for Adobe Photoshop and other image editors. The Eye Candy Effects Collection includes 54 special effects filters with over 1000 one-click settings.

The Eye Candy Effects Collection includes full versions of five Alien Skin plug-in titles: Eye Candy 5: Impact, Eye Candy 5: Nature, Eye Candy 5: Textures, Xenofex 2, and Snap Art. These filters allow digital artists and graphic designers to create chrome, fire, smoke, lightning, clouds, comics and dozens of other effects with a single click.

Extensive example images, product reviews, and free, 30 day demos for each title are available at the Alien Skin Website, www.alienskin.com.

Pricing and Availability: Purchased separately, these plug-ins are valued at \$575. The Eye Candy Effects Collection sells for an estimated street price of \$399. Online delivery is available at the Alien Skin website: <http://www.alienskin.com>. The Eye Candy Effects Collection is also available worldwide through stores, catalogs and resellers.

Requirements: The Eye Candy Effects Collection includes five plug-ins; they must be used with one of the following image editors: Adobe Photoshop CS or later, Adobe Photoshop Elements 4 or later, or Corel Paint Shop Pro Photo XI or later. Eye Candy Effects Collection requires 512 MB RAM and 1024x768 or greater monitor resolution. Windows users must have a Pentium 4 or later processor and Windows XP or later. Macintosh users must have a G4 or G5 PowerPC processor and Mac OS X 10.3.9.

Company Information: Makers of award-winning plug-ins since 1994, Alien Skin Software created the first drop shadow filter for Photoshop. In addition to the Eye Candy Effects Collection, Alien Skin offers three plug-ins for photographers, Blow Up, Exposure, and Image Doctor. Our reputation for bug-free software and fast, friendly tech support has grown worldwide throughout the years. Alien Skin continues to write and sell filters that users love.
