For immediate release

Alien Skin, Andromeda, nik multimedia and Ingram-Publishing Join Together!

Raleigh, NC (August 27, 2003) – Three of the top plug-in makers and one of the largest stock imagery companies have partnered together to create a unique bundle of products being marketed as The Big 4 Graphics Bundle. The bundle includes seven professional Photoshop plug-in programs and over 200 royalty free images for Mac OS 9, OS X and the Windows operating system. The Big 4 Graphics Bundle is being offered for \$199 (US). The value of these products, when purchased separately, is over \$800. Sales of the bundle will begin August 27th and end October 3rd. The bundle includes the latest full versions of the most creative and technical tools used by digital artists, designers and photographers – tools that are sure to assist and inspire creative professionals in their work.

The Big 4 Graphics Bundle includes:

- Alien Skin Xenofex 2™ (Retail Value \$129.00)
- Alien Skin Splat!™ (Retail Value \$99.00)
- Andromeda LensDoc™ (Retail Value \$98.00)
- Andromeda Perspective™ (Retail Value \$47.00)
- Andromeda VariFocus™ (Retail Value \$47.00)
- Andromeda RedEyePro™ (Retail Value \$39.00)
- Nik Color EfexPro! Photo Classic Design Bundle™ (Retail Value \$199.95)
- Ingram Publishing Texture Bank Vol. 1 & 2™ (Retail Value \$159.00)
- Ingram Publishing Contact Icons™ (Retail Value \$49.00)

“We are extremely excited about the Big 4 Graphics Bundle. At \$199, not only are our customers getting a great deal, they’re getting some of the best and most useful special effects plug-ins and stock images available today,” said Jeff Butterworth, President of Alien Skin Software.
